THE WILMINGTON CRUSADER, WEDNESDAY, FEBRUARY 11, 1953

PRICE TEN CENTS

Corum Candidate For School Board

In an unexpected and surprising development, Fred T. Corum, of 115 Salem Street announced Tuesday that he is a candidate for election to the School Committee, in March.

Corum, an announced candidate for Moderator, has decided to run by stickers, for the School Committee, because of, as he expressed it, his disgust with the recent contemptible terrorizing of a candidate for the office.

In a statement issued at the time of the announcement, Corum said: "I did not aspire to be a candidate for the School Committee of Wilmington, but at the request of many of my fellow townsmen many

FRED T. CORUM
Candidate for School Board

of whom I had never met before, I have decided to be a candidate for this office by the use of stickers, realizing the difficulty of winning an election in this manner, yet feeling a protest should be made. My choice is to serve on the School Committee, rather than as Moderator, as I could not hold both offices. Having been a High School teacher and principal, and being a College and Harvard University Law

(Continued on Page 4)

WARRANT TO HAVE ARTICLE FOR ADDITION TO HIGH SCHOOL

The Warrant for the Annual Town Meeting, which is to be posted throughout the town on Saturday, will contain an article calling for the appointment of a committee to investigate and report on an addition to the High School, estimated to cost about \$900,000.

The sum of \$900,000 has been estimated by Clifford Good, Superintendent of Schools. Mr. Good in making the estimate had had to go by what he termed a "guesstimate". The proposed addition would encompass the second and third sections, originally planned for the High School, with modifications. It would include the gymnasium, as well as class rooms.

The article will read "To see if the Town will vote to transfer from any available funds appropriate a sum of money for the expenses of an investigation committee, to investigate and report at a subsequent town meeting, but not later than the next annual meeting, upon the subject of additional school accommodations, and to determine the number of such committee and how the same shall be appointed, or do anything in relation thereto.

Charles Black, Selectman, broached the subject at the Selectman's meeting. Mr. Black was very much worried, because of the long time that it had taken the town to build, in the case of the first part of the new High School, and of the Wildwood School. He estimated that unless the town took action at the next meeting, it would mean that the town would have to go on double sessions before the new High School addition were completed. Even if action were taken in March, said Black, it would mean 1955 before we could get the addition.

Black pointed out the alarming figures, on increase of pupils. He stated that he had felt, last year, that the town should have voted for an addition to the High School, at the same time that it voted for the Wildwood School. Now he was sure of it, he stated.

The other Selectmen agreed with Black, and the School Committee was consulted. They agree to the necessity, having talked about the subject themselves, and approved of the article. It will be submitted jointly by both boards.

WILLIAM MANN NOW RECEIVING GUESTS

William Mann, of Roosevelt Road, is now home, and able to receive guests. He was badly injured 14 weeks ago, by a drunken driver, in Cambridge, and spent ten weeks in the Cambridge City Hospital, with broken legs and pelvis.

TOWN MEETING IN GREER PLANT?

The Board of Selectmen have decided that the voting, on March 2nd, will take place in the High School Cafeteria.

The meeting place, for the Town Meeting, on March 9th, still is definitely not settled, but indications are that it will be in the J.W. Greer plant, on Main Street.

The TM told the Selectmen that he believed that the Greer people would let the town use the plant. He reported that John Monahan, Inspector of Public Buildings had not yet inspected the Greer plant, with this thought in view, and that until a report was made, no decision would be had.

NOTED COLLEGE PRESIDENT SPEAKS HERE SUNDAY

The distinguished Dr. Floyd H. Black, President of the Robert College, in Istanbul, Turkey, is to speak from the pulpit of the Congregational Church, next Sunday morning. He will share the pulpit with Rev. Stanley Cummings.

WITHAM IS NOT A CANDIDATE

John H. Witham, of 29 High Street has reaffirmed that he is not a candidate, for the School Committee, on March 2nd.

In a letter to the Wilmington Crusader, Mr. Witham stated:

I have heard that my name will be written in on many of the ballots when voting for School Committee on March 2.

In this regard I wish to say that I am not a candidate for this position, and will not accept it under any circumstances.

Mrs. Witham and I appreciate the expression of confidence expressed by our many friends and regret the incident which caused my withdrawal from the contest.

John H. Witham

WORLD DAY OF PRAYER FOR WOMEN

The World Day of Prayer for women will again be observed in Wilmington, on Friday, February 20th. The general meeting will be held in the sanctuary of the Congregational Church at 8 p.m., but there will also be a 24-hour vigil in each one of the four churches which comprise the Wilmington Council of Churches. The prayer vigil will be maintained from midnight of Thursday to midnight on Friday.

FIRST CLASS SCOUT TEDDY NELSON

Herbert (Teddy) Nelson Jr. of Central Street is shown in the Junior High School Gym, as the First Class Scout award was pinned on him by his father, on Feb. 3rd.

FEBRUARY 1953 \$ DAYS IN LOWELL STARTS FEB. 12

Lowell stores through the Merchants Division of the Chamber of Commerce are promoting MID-WINTER DOLLAR DAYS, a semi-annual appreciation offering of money-saving values in personal and household needs, on Thursday, Friday and Saturday of this week.

The range of personal and home furnishings where great money savings can be realized on these days in every participating store is all inclusive.

Shelves, counters and display cases of retail stores are laden heavily with merchandise price pegged downward as purchase inducing values awaiting the rush of thrifty shoppers who will be attracted to the stores.

Shopping in Lowell authorized Dollar Days stores this Thursday, Friday and Saturday will be profitable and, as always pleasurable.

WILMINGTON WOMEN'S CLUB

The Wilmington Women's Club will hold its regular meeting in the vestry of the Methodist Church on Thursday, February 19. Dessert at 1:30 p.m. will be followed by the regular business meeting at 2 p.m. Mrs. Eleanor V. Gratecyk presiding.

The speaker for the afternoon will be Mrs. Margaret Wood. Her subject will be "Valentines Old and New." Members are urged to bring for display purposes old-fashioned and special valentines.

Mrs. Ernest C. MacDougall is chairman of the Hospitality Committee. On her Committee are Mrs. Edward Neilson, Mrs. Robert Carter, Mrs. Frank Gray, Mrs. James Cain, Mrs. William Carver, Mrs. Philip Buzzell, Mrs. Minot Anderson, Mrs. Raleigh Nelson.

TOWN GETS 43 ACRES OFF BURLINGTON AVE.

The Land Court in Boston, of February 3, 1953 entered a decree in favor of the Town of Wilmington forever barring all rights of redemption against all persons covering 43 acres of land off Burlington Avenue, which was formerly owned by Kirk Sweetzer. His widow, Delia E. Sweetzer had inherited the land from him, and she in turn left it to her children as residuary legatees.

The case was first entered in the Land Court by the town 12 years ago, to foreclose all rights of redemption and establish its title. It was then dropped, due to legal obstacles where it remained until last July when work was begun to unravel the legal tangle. Attorney Frank Walters handled the case for the town.

NET & T SEEKS CHANGES IN CABLE LAYOUT

The New England Telephone and Telegraph Company have requested a hearing, before the Selectmen, next Monday night, in order that they may relocate cables, that go underground, and make other changes. The places that were named by the company include Lowell Street at Woburn Street, and at Parker Street, Main Street at Lloyd Road, Shawsheen Avenue, Church Street Cross Street, and Eames Street.

NOTHING ABOUT CHAPTER 80

The article, pertaining to Chapter 80 has been eliminated from the Annual Town Warrant for 1953, because of a decision by the Selectmen that it would not be necessary. Another tentative article, being prepared by the Town Manager, in which cost of water extensions would be guaranteed by abutters on the street making a 6% repayment over a period of 14 years has also been cancelled.

MDC DISCUSSED

TM Cushing told the Selectmen Monday night that he had a letter from Mr. Toole, of the Metropolitan Water Department, in which that gentleman had said that he believed it not feasible to consider a water main from the DMC terminus in Concord to Wilmington. Such a main would cost too much, Mr. Toole said, to the Town of Wilmington.

The letter had been written to the TM when he suggested that route, rather than one from Spot Pond, in Stoneham, which was previously suggested.

TOWN AMBULANCE GETS HEAVY DISCUSSION

The Board of Selectmen and the Town Manager had a heavy discussion, without arriving at any conclusion, Monday night, about the Police Ambulance.

The gentlemen pointed out to each other that the ambulance is frequently out of town on trips that could have been made by automobile, and that many of the emergency trips find the patient walking out to the ambulance.

It was feared that the time might come when the ambulance would be

occupied by such a trip, the police cruiser attending court in Woburn, and a real emergency arise, with no ambulance.

The TM is going to get the opinion of Wilmington's doctors, before any decision is made.

PLYMOUTH RANGE WAGON FOR NEW POLICE CRUISER

The Town of Wilmington has contracted to buy from Fred F. Cain a new Plymouth Range Wagon, for use as a police cruiser, the TM told the Board of Selectmen, Monday night. Total cost, including equipment, will be less than \$2000.

What's "in the works" at G.E.

ALICE FAULKNER of Swampscott won the top award for women which came to \$455. Alice is a gyro tester at the West Lynn Works.

FRANK ARMSTRONG of Lynn had the most ideas adopted in 1952-48 in all. Frank, a dispatcher at West Lynn Works, collected \$355 for his thoughts.

HAZEL M. SHIELDS of Swampscott had the most ideas adopted among the women. A test inspector at West Lynn, Hazel won \$250 for twelve suggestions.

WILLIAM E. MULLEN of Lynn, G-E electrician in the Transformer Department of West Lynn Works, came in third—received \$740 for six adopted suggestions.

MARY THOMPSON of Lynnfield won \$260, the River Works' top award for women. Mary's a working leader in the Ediphone Section, Lighting and Rectifier Department.

MICHAEL REICHLIN of Lynn was second highest money winner with \$1,005 for three ideas adopted. He's a sheet metal worker in Welded Products at the River Works.

LYDD GOULD of Lynn was the top single award winner at West Lynn. His idea paid him \$525. Lloyd works in Central Costs at West Lynn.

**242 BRIGHT IDEAS A WEEK!**

That's How Many Good Suggestions are Submitted by Local G-E Employees for New and Better Ways of Doing Things!

DAVID CALLAHAN of Lynn won the highest single award ever given in the 32-year history of the Suggestion System at Lynn. He netted \$3,115 for his idea to change the method of forging the wheel and shaft for jet engines. Dave's a hammer-smith in the Forge Shop of the River Works Aircraft Gas Turbine Division.

Here's how local G-E folks help keep G. E. ahead of competition.

Whenever they think up improvements, they submit their thoughts through G. E.'s Suggestion System. General Electric pays extra money for all ideas accepted.

Last year 12,619 ideas were submitted locally. 4,935 of these were accepted. More than one out of three suggestions hit the jackpot!

G. E. is paying out more and more each year for suggestions to works in this area — \$57,000 in 1950, \$81,695 in 1951 and \$87,485 in 1952. In the thirty years the Suggestion System has been in effect, G. E. has paid over \$700,000 locally — another good reason why "G. E." also stands for "Good Employment".

PLANNING BOARD APPROVES
SUBDIVISION

A Subdivision, off Swain Road West, involving a small street to be known as Swain Court, was approved by the Planning Board, Monday night. Six lots had been laid out by the owner, Farrell. The board approved of four of them, as being of adequate size. Two were disapproved as being too small. The disapproved lots were of approximately 6000 square feet.

AUTO ACCIDENT IN FRONT OF
GEORGES

A Nash Sedan, belonging to Warren Willis of Butters Row was damaged, as was a truck belonging to Edmund V. Roynane of Nichols Street, in an accident which occurred Monday morning in Wilmington square, in front of Georges.

According to reports, Willis was getting out of his automobile, which he had stopped, and in swinging open the door it came in contact with Roynane's truck, which was passing at that moment.

APPLIES FOR JUNK LICENSE

Frederick B. Brown, of 9 Verdun Road has applied by letter to the Selectmen for Junk Dealers License. Brown told the Selectmen that he did not want to make door to door canvases, but rather pick up junk by appointment. He is associated with a junk firm in Cambridge.

Other Items in Houses 2206

The TM was amused to read of some of the items mentioned in the bill. The report stated that the town had got rid of mosquitoes, by proper treatment, of the swamps. TM Cushing hoped that everyone would remember that next summer, when they were scratching mosquito bites.

Another paragraph listed the town as officially clear of rats and cockroaches, in the Town Dump.

ATOMIC LAB IN SOMERVILLE
LOOKING FOR NEW SITE

An atomic laboratory, unnamed, in Somerville, has been considering moving to another location, because of lack of expansion facilities, the TM reported to the Selectmen, Monday night. Three towns are trying to get the firm to move to their area, including the Town of Wilmington. Decision will be made in about two weeks.

HEARING OF BILL 2206
MARCH 3rd.

House Bill 2206, pertaining to the drainage of the swamps of Wilmington is to have a public hearing, in the State House on March 3, 1953. No time or room has yet been set for the hearing, which will be conducted by the State Board of Health.

TOWN COUNSEL'S
OPINION ON CHANGES
IN TOWN CHARTER

Kenneth Lyons, chairman of the Board of Selectmen, reported to the Board, Monday night that Town Counsel Buzzell was of the opinion that it would not be necessary to bring in an article in Annual Town Warrant, for any changes in the Town Charter that may prove feasible.

According to Lyons, the Town Counsel felt that if the Board of Selectmen felt that a change was desirable, they could petition the legislature directly. After the legislature had voted an act, then the Town, in Town Meeting, could approve or disapprove of this act.

INDUSTRY SEEKS
TO LOCATE ON
SWAIN ROAD WEST

TM Cushing reported to the Selectmen, Monday night, that the Clark Barrel Company, of Somerville, was negotiating for the Farrell property, in Swain Road West, with the idea of locating at that place.

It was pointed out to the Selectmen that this company could not locate at this place, without a hearing first, before the Board of Appeals.

DRAINAGE OF WILMINGTON

Otherwise reported in this issue is an article about House 2206, a bill in the legislature, which requests \$25,000 for a survey of Wilmington's swamps, and the Ipswich River.

As the TM has stated, this started as the result of a request by the Board of Selectmen three years ago. Now it seems, there is to be a possibility of action.

We suppose that anything that would start to lower the water level of Wilmington should be greeted with loud cheers by this paper, but we have a few dubious thoughts concerning the whole matter.

The Town of Wilmington is starting something new, here. We believe that we are the first to promulgate the idea of having the state provide the wherewithal for the necessary drainage.

In a lot of respects, this is only fair and just. Our drainage problems stem from the Ipswich River, which goes through a lot of the Commonwealth before it arrives at the sea. It cannot be fair for us to pay all the bills.

However, we shudder slightly at what might be the consequences.

Suppose every town in the state jumps on the bandwagon! Suppose they get the state to pay for their drainage too! Our taxes will then help to pay off their troubles.

A committee of citizens, this spring, submitted an article calling for the town to appropriate \$12,000 for this purpose. \$12,000 is not enough, but we think we know enough about the men who make up this committee to say that they seem to have some very good ideas, based on our doing the work ourselves.

In a conference Sunday night, this committee, we understand, was convinced that their program should stand aside, for the time being, in view of the state's program.

If this committee could be convinced, the arguments which were used were probably right. However, we say, let's take a long look before we make the last leap.

What now looks like a pot of gold might very well turn out to be a pot of mud.

THE TELEPHONE CALL

We had determined that we were not going to say anything editorially about that telephone call. However, in the last two days we have received several letters, all written in good faith, which we do not care to publish, because we believe they will just stir up the public, and cause strife. Instead we are going to express ourselves, editorially.

1. We are thoroughly convinced that the telephone call was made, and that Mr. Witham acted in good faith throughout.

2. We believe that whoever made that call did so without any knowledge of any person connected with the schools, and without such knowledge about the actual situation. We join others in calling him a crackpot.

3. We deplore the fact that news got spread through the Boston papers. Other papers took up the war cry, from a sensation seeking viewpoint. We feel that this did not do the town any good.

4. We feel that the town should forget it all. We don't intend to print anything more about it, unless there is a new development.

MDC AND MTA

For the past year, we have heard a lot about extending the MDC sewerage system to Wilmington, and about extending the MDC water system to this place.

Nothing, of course, is going to happen right away. It will be a few years, anyway, but meanwhile, let's remember a few other things. If we extend the MDC to this town, do we become a part of Metropolitan Boston?

And if it should mean that we become a part of Metropolitan Boston, will we be called upon to help pay for the deficit of the MTA (Metropolitan Transit Authority)?

We don't profess to know the answer. The chances are that we would not have to help pay that bill. However, let's ask questions.

CHAPTER 80

It may be safely assumed that the town is going to hear a lot about Chapter 80, in the next few years.

Chapter 80 is a part of the General Laws of the Commonwealth of Massachusetts. Somehow or other, for a long time, a lot of people had assumed that the provisions of this law did not apply to a town, unless the town had specifically accepted those provisions.

Recently, quite a few people have learned otherwise. At least, the opinion of these people is that we do not have to accept the provisions of the chapter, we just have to go ahead

and use it. We print the first section of the Chapter here, in order that the reader may judge for himself. The other chapters do not seem to change the meaning of the first, as we interpret them.

GENERAL LAWS CHAPTER 80

Section 1. Assessment of Cost of Public Improvements.—Whenever a limited and determinable area receives benefit or advantage, other than the general advantage to the community, from a public improvement made by or in accordance with the formal vote or order of a board of officers of the Commonwealth or of a County, City, Town or District, and such order states that betterments are to be assessed for the improvement such board shall within six months after the completion of the improvement determine the value of such benefit or advantage to the land within such area and assess upon each parcel thereof a proportionate share of the cost of such improvement, and shall include in such cost all damages awarded therefor under Chapter 79; but no such assessment shall exceed the amount of such adjudged benefit or advantage. The Board shall in the order of assessment designate as the owner of each parcel the person who was liable to assessment therefor on the preceding January first under the provisions of Chapter 59.

According to one interpretation of the above, this is a solution of our water problem, as far as extensions go. This gentleman (and it wasn't the TM) has said, in effect, as though he were addressing the people of a particular street or district who wanted water:

"So you want water on your street! We would like to give it to you, but we cannot see it, because, according to our calculations it would take 150 years to get the town's money back!

If you really want water, you can get it under Chapter 80. Just tell the Water Commissioners, and they will put the water in. Within six months, you will all be assessed for the cost of that water, every person who owns land on that street. The assessment will be determined by the Water Commissioners. It probably will not be a lump sum payment, but, instead, will be extended over a few years, to make the burden easier, but, everyone will have to pay his share, according to the value of his property.

However, remember, everyone will have to pay. The assessment becomes a lien on the property, and is recognized by law."

Such will be the effect of Chapter 80, according to our friend. We have no doubt we shall hear more about it.

CORUM CANDIDATE FOR SCHOOL BOARD

(Continued from Page 1)

School graduate, and the father of three children in the Wilmington Schools, I have a strong interest in education.

I had felt, at present, I could not afford the time that a conscientious public official should devote to this office, but because of the recent, contemptible, Un-American crime of intimidating and terrorizing a candidate for this office by the threat of injury to his wife, I could not stand idly and see our American system of freedom of franchise threatened by a hoodlum. The legal profession in which I have been trained is dedicated to protecting the public good. It is the duty of a lawyer to participate in public affairs and champion the cause of our heritage of freedom and the American way of life when it has been threatened.

The other candidates for this office, whom I have met, are public spirited, interested in the community's welfare and deplore the threat to free public elections, and they have publicly stated at the Baldwin Civic Association's monthly meeting, at which all candidates for town office were invited to speak, that they earnestly desired there were more candidates running for this office, so there could be no reflection on them.

The individual is of minor importance. He is born, he lives, he dies, but principals are eternal."

Corum, born in Kentucky, and a graduate of Drury College in Missouri, was Principal of the High School, in Lamar, Oklahoma, before leaving to study law at Harvard. He lives in the old Colonial "Burt" farmhouse, on Salem Street, is a veteran of World War I, and a member of the American Legion, having been Service Officer of the Natick Post. He moved to Wilmington five years ago.

VOCATIONAL SCHOOL NO LONGER OPEN ON TUESDAYS

Because of a drop in attendance, the Principal of the Adult Vocational School has decided to close the school on Tuesday evenings, and have school only on Monday, Wednesday and Thursday of each week.

Affected are beginners and

advanced classes in sewing. The pupils will now attend on one of the other evenings.

FIRST CLASS SCOUT TEDDY NELSON

Herbert Nelson, Jr. of Central Street is now a first Class Scout. Many other boys, in their lives as Scouts have become First Class Scouts, but not under the difficulties that Teddy, as he is known, has had.

Teddy is a spastic. He can walk, but with difficulty. He cannot swim, and he cannot join in many of the sports that boys of his age enjoy. Teddy has not let this dishearten him, for, in a little two years, he has passed all the test that some boys take three or four years to do.

There are many stories about Teddy, well worth telling. There was, for instance, the time he passed the test on camping. He was asked how he kept a pound of butter cool, on a camping trip, if it were supposed that there had been no rain for a long time, and the ground were dry. Teddy told his examiner that he would dig a deep hole, line it with leaves, and keep the butter there.

The Troop Committeeman who was examining Ted was looking at the Scout Manual, which mentions ferns as an excellent material to use in such an underground refrigerator. Finally he asked Ted: Why not ferns?

"Because," said Ted, "if the forest were as dry as you have made it, the ferns would have all dried up."

The only exception that was made

for Ted, in his examinations, was for the swimming test. Teddy cannot swim. Instead of having to pass that test, he was given a very comprehensive examination on Water Safety, which he passed with flying colors.

On February Third, at a Special Court of Honor, Teddy Nelson was awarded his First Class Scout Badge. On the top of a ceremonial post were three candles, representing the three points of the scout oath - Duty to God and Country - Duty to Others, and Duty to One's Self.

Teddy's Dad pinned the badge on the new First Class Scout. It can assume that Mr. Nelson was quite proud of his boy, but he was no prouder than every every scout in Troop 1, Wilmington.

SPACE SAVERS

Convactor-radiators can be set flush against the wall, or recessed partly or fully into the wall, leaving many extra inches of floor space for furniture placement. And the mild radiant heat which comes from the front of the convactor unit is never hot enough to streak or scorch furniture, as hot blasts of air might do.

Per mile of driving, low pressure Super Chiefs are the finest tire buy on the market. Besides having far more of the best cord and rubber than ordinary tires, only Mohawk Super Chiefs have these plus features:

- 1 Over 800 shoulders per tire for super strength.
- 2 Over 800 air vents to make tire run cooler and thereby last longer.
- 3 Over 2,400 razor-like edges in extra deep tread that insure action-traction for greater safety.

BIGGER TRADE-IN!

Your present tires are worth MORE when traded for Super Chiefs

JOAN HODGDON IN INDIANA

Joan Hodgdon, of Kink Street, graduated from Boot Camp, at Fort Lee, Virginia, and has been sent to a personnel school, with the Army, in Indiana.

Her address is Pvt. Joan R. Hodgdon, WA 811043, TAG School, WAC Ditch, Personnel Administration, Fort Benjamin Harrison, Ind.

ARTHUR P. STANLEY

New London, Conn. (FHTNG) - Serving at the U.S. Submarine Base here with the Supply Department is Arthur P. Stanley, storekeeper second class, USN, of Bond st., and with the submarine School Staff is Warren E. Hinxman, chief electrician's mate, USN, of Chesnut st., all of Wilmington.

Stanley entered the Navy in May 1944 and attended Malden High School, while Hinxman joined the Naval service in Aug. 1938 and attended Wilmington High School.

The Submarine Base is the home port of operating submarines and site of the only training school for submariners.

INJURED IN READING AUTO CRASH

Rocko F. Genna, 40, of Adelman Road, North Wilmington suffered lacerations of the face and knee, when the automobile he was operating crashed into a telephone pole, on Franklin Road, Reading, on January 30th.

Genna was treated for his injuries by a Reading physician. He told the Reading police that lights from another car had blinded him.

TOWN OFFICIALS MOVE ASIDE PLEASE

The Wilmington Boy Scouts have elected two complete sets (nearly complete, that is) of Town Officials, to serve the town, during Boy Scout week.

Monday, Tuesday, and Wednesday, the Officials will come from Troop 1. Town Manager will be George Gladding, Fire Chief will be Tom McAndrews, Police Chief William Bibby, Selectmen Fred McAndrews, Harold Lee, Neil Hamilton and Teddy Richards. The rest of the troop will fill in as volunteer Firemen.

A new set of officials will take office on Thursday, for the rest of the week, from troop 2 Ronald Raposa will be Town Manager, John Kerr, William Finney, Peter Enos and Caton Monteiro will be Selectmen, Sammy Cavallaro Chief of Police, and Robert Kazynski Chief of the Fire Department.

NEW 4 H CLUB

The Kitchen Capers, a new 4 H Club, had its first meeting on February 2nd, at the home of Mrs. Ruth Barrett, of 94 Boutwell Street.

Virginia Pellerin, of Burlington Avenue was elected President, and other officers elected were Patty White, Vice President, Lorraine Brenick, Secretary, Patty McShel, fry Treasurer and Dorothy Devlin, Entertainment Leader.

The club will meet every Monday afternoon, at 3 p.m. at the home of the leader, Mrs. Barrett.

MELVIN F. KEOUGH

Little Creek, Va. (FHTNG) - Melvin F. Keough, seaman, USN, of 30 Parker ave., Wilmington was among the 90 men qualified as assault boat coxswains in a course conducted at the Naval Amphibious Base, by the Atlantic Fleet Amphibious Force.

The new coxswain will be attached to Boat Unit 2, a large detachment which provides small landing craft and crews for amphibious landings. This unit is normally based at Little Creek, but can be embarked aboard landing ships, attack transports or attack cargo ships for maneuvers or actual landings.

In order to qualify as an assault boat coxswain, candidates must be able to pilot boats up to 28 tons through surf onto beachheads. The largest landing craft the coxswains are taught to maneuver can carry 25-ton tanks or 120 combat - equipped foot soldiers.

ANNUAL BOY SCOUT BANQUET LARGEST EVER

The annual Boy Scout Banquet, held in the Cafeteria of the High School, was the largest ever to be held in Wilmington. Nearly 300 guests were present to partake of a ham dinner, prepared by Scout mothers, and served by Scout Dads.

Seated at the head table, with Scout Commissioner Foster Balser, were Charles Emerson, Lowell Council Commissioner, Rev. Stanley Cummings, of the Congregational Church, Dean Cushing, Town Manager, Charles Black, Selectman, and Clifford Good, Superintendent of Schools.

Other distinguished guests, who chose to sit with the Boy Scouts, were Joseph Woods, Selectman, and Paul Lynch, Chief of Police.

After the dinner, a Cub Award was held, followed by a Court of Honor, in which boys were awarded new pins, and merit badges. 12 boys were made First Class Scouts, and it was announced that Tom Coombs had passed the National Board of Review, and would be made an Eagle Scout, the highest rank in Scouting, in Lowell Auditorium, on April 18th.

A Charter for a new Explorer Troop, for boys over 14 years of age, was presented to Robert McCabe, of Woburn Street.

Scout Master Dudley Buck, in charge of entertainment, had a presentation from each Cub Pack, and each Scout Troop. Pack 56 presented a melody Roundup with the Rev. Stanley Cummings filling in as the old cowhand, with a guitar. Pack 58 did a takeoff on Groucho Marx, with scout John Mead filling the honor position. Troop 2 presented a choral group, singing "On Top Of Old Smokey", led by Frank Kaszynski, while the highlight of the evening was Troop 1, which presented a television skit "I Love Loose Leaf" starring Star Scout Billy Fiske, as the new baby, Tom Cotter as Loose Leaf, and Dave Calhoun as the Wilmington Crusader Reporter.

Music was provided by the Wilmington (Boy Scout) Philharmonic Orchestra, and a musical duo.

The Commonwealth of Massachusetts LAND COURT No. 16828 Misc. (SEAL.) In Equity To Edith H. Wiley, now or formerly of Malden, in the County of Middlesex, or her heirs, devisees or legal representatives:

Greeting: Whereas a suit in equity has been begun against you in our Land Court, by James W. Grider and Josephine C. Grider of Wilmington in the said County of Middlesex

WE COMMAND YOU, if you intend to make any defense, that on the first Monday of April next, which Monday is the return day of this subpoena, or within such further time as the law allows, you do cause your written appearance to be entered and your written answer or other lawful pleading to be filed in the office of the recorder of said court at Boston in the County of Suffolk, and further that you defend against said suit according to law, if you intend to make any defense, and that you do and receive what the court shall order, adjudge and decree therein.

Hereof fail not, at your peril, as otherwise said suit may be adjudged, and orders and decrees entered therein, in your absence.

The plaintiffs allege to be the owners of certain land on Grove Avenue in said Wilmington, and in the chain of title effecting the property, here appears a deed running from Edith H. Wiley to Sadie Florence Marshall, dated June 22, 1925, and duly recorded in Book 725, Page 88, which was acknowledged by the grantor before George H. Wiley, her husband, as Notary Public, and praying that they hold their title free and clear of said cloud.

And it appearing to the Court upon the suggestion of the plaintiffs that the whereabouts of some of the defendants is unknown and they cannot actually be served with process, therefore it is

ORDERED that notice be given by publishing a copy of this Order once each week for three successive weeks in the Wilmington Crusader, a newspaper published in said Wilmington, the last publication to be one month at least before the said first Monday of April.

Witness, JOHN E. FENTON, Judge of our Land Court, the twenty-second day of January in the year of our Lord one thousand nine hundred and fifty-three.

Sybil H. Holmes Recorder.

J-28-F-4-11

composed of Tommy Lee and Glenn Campbell.

Flower arrangement was in charge of Mrs. Maybelle Bliss. Mrs. Eileen Fuller was in charge of the dinner.

HOWARD NEAGLE IN HOSPITAL

Howard Neagle, of Glen Road is a patient in St. John's Hospital, Lowell. He is shortly to undergo an operation there.

WILMINGTON ROTARY SEES "INDUSTRY FOR HEALTH"

The Wilmington Rotary Club, at its weekly luncheon, on Feb. 4th, were shown a movie, "Industry for Health", depicting the research and care that goes into the preparation of pharmaceuticals. The movie had been prepared by the Upjohn Company, of Kalamazoo, Michigan, and was presented by George Donovan, and Wesley Middleton, of the Upjohn Company.

Mel Woodside, local druggist, introduced Messrs Donovan and Middleton.

POLICE TO GET \$3000 PLUS

The Finance Committee, and the Board of Selectmen, have agreed to increase the salaries of the patrolmen, of the Wilmington Police Department, to \$3000, plus the 6% Cost of Living Bonus.

TOWN NOTES

WEATHER

Our weather wise friends tell us that if all the rain we have had since the first of January had been snow, Wilmington would now be covered with six feet of the cold white stuff. Isn't the TM lucky?

We had a trace of rain and snow of Feb. 1st, 2 inches of snow on the 2nd, amounting to .16 in rain; 1 inch of snow on the 3rd, amounting to .08 in rain; a trace of snow on the fourth, .14 inches of rain on the 6th and .53 inches of rain the 7th.

Sunday morning snow was to be seen in a few shady places, only, in our home town.

TRISKAIDEPAPHOBES

We don't know what the word means, and we aren't going to bother to look it up in the dictionary. The New York Sunday Times used it last Sunday, in connection with a story about Friday the 13th. We suspect it refers to people who believe in the old superstition.

In case you do, we hasten to remind you that we are going to have three Friday the Thirteenths this year. Next Friday, a month from next Friday, and in November. We

are told that this is quite unusual.

MCLAUGHLIN GETS A RADIO MENTION

Bob Rissling, on WBZ, took a few minutes, last week, to talk about McLaughlin's Drug Store, in the square. He had been talking with Mel Woodside, the owner, while visiting the store, and mentioned that the store was one of the most modern semi-self service stores north of Boston.

Mel told Bob that the nicest people in the world live in Wilmington, and if the store were all self service, he wouldn't get a chance to meet them all. Bob didn't quite agree. He said that he had found the nicest people, all over Massachusetts, in the drug stores, so that they couldn't all be in Wilmington. Mel still sticks by his original statement.

EX-WILMINGTONITE RAISES FISH

We thought that the people who left Wilmington left our fair town so that they could raise Cain, elsewhere, but we have learned differently. The Rome (NY) newspaper recently had a very nice article about Thomas Delaronde, who lived before the war, on Federal Street.

Tom, who is a driver on the Rome Fire Department, has taken up the raising of fish, in a big way. He has tanks-full of them, around his house, and it all started because he bought a pair of guppies.

Tom left Wilmington in 1940, when he enlisted in the Army. He held the rank of Lieutenant, when he was discharged, in 1946. He settled in Rome, because he had married a young lady from that town. In case you want to get the price on guppies, you can write him at 604 Bloomfield Street, Rome New York.

UNCLE DUDLEY TALKS ABOUT OUR TOWN

Uncle Dudley, on the Boston Globe, devoted a full editorial column to our fair town, last Thursday. We suspect you have read it, so we won't bother to tell it to you again.

BOARD OF HEALTH TO CHANGE DATE OF PIGGERY LICENSES

The Board of Health, in a meeting last Thursday, decided to change the effective date of piggery licenses from Jan. 1st to July 1st. Garbage transportation licenses will likewise be changed to the same date. Such changes will be made without cost, this year, to holders of licenses at the present time, who have been abiding by the laws and regulations.

The purpose, according to the Board of Health, is to provide that inspection of the piggery takes place during the worst month of the year, from a sanitation viewpoint, rather than the best month.

BOARD OF HEALTH TO HONOR ONLY WRITTEN COMPLAINTS

In a policy decision, made last Thursday, the Board of Health will now honor only those complaints which are submitted to it in writing.

BREAK AT CAIN'S

Wilmington Police were called at 8:15 a.m. Feb. 5th to investigate a break and entry at Cain's Garage, on Main Street. A window in the rear of the building had been broken, to gain entry, and another window in the interior had been broken, to get into the office. \$7.85 was missing from a petty cash drawer, and a wheel, tire, tube, antenna spotlight and six hubcaps stolen. Four other spotlights had been loosened, but were left behind, by the intruder.

TWO PERSONS REPORTED DEAD

Wilmington police, on Feb. 6th, at 9 p.m. received a report that two dead persons were sitting in a car across from the Postoffice. Officer Markey investigated, and found that they were very much alive. It was a petting party.

SHOTGUN FIRED DURING ARGUMENT

Wallace and Florence Gallinski, of Chelsea, reported to the police that Pearl White, of Harvard Avenue had fired a shotgun, during an argument at Mr. Yearl's home, and that the pellets had wounded the Gallinskis.

Investigation by the police led them to the conclusion that White had fired the shotgun down into the floor, as a warning for the Gallinskis couple to leave his home, during the argument. The shotgun was taken

to the police station.

The shooting occurred at 6:15 p.m. on Feb. 7th.

LETTER TO EDITOR.

Dear Mr. Neilson;

Please find included a U. S. Money - Order for \$2.50, to cover the cost of subscription to October 1, 1953.

May I say that your expanding and increasingly interesting and newsy newspaper is well worth the cost of a subscription.

Especially, I have enjoyed your fair - minded editorial columns, and the last year's historical writings of Mr. Paul D. Emmons.

I expect to remain one of your subscribers for a long while to come.

Very cordially,
Carl U. Harvey

FINED IN WOBURN COURT

Alexander Gordon, of 82 Poor Street was fined \$5.00 in Woburn Court, Feb. 9th for Failure to stop for a stop sign. The complaint, which had been reduced from Driving to Endanger, was issued as the result of an accident at West and Lowell Streets, on January 28th. Officer Shepard appeared for the Wilmington Police Department.

Witham Case Discussed At Baldwin Club Meeting

BALDWIN CLUB CANDIDATES NIGHT HEARS HOT TALK ON WITHAM CASE

The annual "Politician's night" at the Baldwin Club, on Chestnut Street, saw 6 candidates for political office meeting the members, and each in his turn addressing the assembly, and ended in a fiery talk, by Irving Appleby, about the Witham threats.

Tom Galvin, Chairman of the Association, introduced the speakers, each of whom was given a question and answer period after his talk.

Ralph Currier, of Boutwell Street, candidate for Moderator, was the first speaker.

Mr. Currier spoke in this manner: I wish to thank the Baldwin Associates for inviting me to come and say a few words — What in my opinion qualifies me for Moderator?

I moved to Wilmington some years ago, and had a grocery store, in Wilmington square. After about six years it was suggested that I run for Town Clerk. I did, and was elected. I held that post for 10 years, and then ran for the legislature, at the suggestion of friends. I was elected, and served a two year term, from 1934 to 1936, at which time Frederick W. Cook, Secretary of State invited me to become a confidential secretary. I have been employed in the Secretary's office since then, and my title is now Director of the Census.

Of course, the Census is taken only every 10 years, but there is plenty to keep me going. I have many duties in the office, including the handling and disbursing of receipts, involving about \$1 million a year.

As regards the office of Moderator, in which I would like to serve — I think you all know the duties. The Moderator presides at Town Meetings. He has full charge of the Meetings. He must be fair and impartial. He must know about the context of the Warrant, and should confer with Town Officials about it, in order to be fully aware of the situations that may arise in Town Meetings.

There are two other items about which I would like to speak, not connected with the position of Moderator.

There is to be an article, in the Warrant, calling for the Town to vote to ask the State Housing Board for permission to have the Wilmington Housing Authority build more units. If this is voted by the town there will then be a second article to vote, to raise and appropriate \$2000 for the WHA, for this work.

In reply to questions, Mr. Currier continued:

I hope that you will think of this. The housing, for veterans, by the WHA. Of course, we all know that there is a sort of subsidy here, from the state, and town, but at the same time, the WHA pays back to the town about \$550 a year, in lieu of taxes. This sum is determined by the state, and they use one criterion, what the land was worth before the houses were built. I don't believe this land was paying \$100 a year in taxes before the WHA built these houses.

The number of houses that will be built will be determined by the number of applicants. There must be three valid applications for each house.

After three years, if a shortage of housing no longer exists, and if the State approves, the WHA can sell these houses. It doesn't appear, however, that there is going to be any shortage here, for a while.

I cannot see any incompatibility between holding office in the Wilmington Housing Authority, and being Moderator.

Fred T. Corum

Fred T. Corum, the other candidate for Moderator, was then introduced.

He spoke in this manner: It is a fitting tribute that this forward looking, civic minded public-spirited group in Wilmington should bear the name of that public spirited man for whom the Baldwin apple was named.

It is also fitting and proper that such a group should desire to meet and become acquainted with those seeking public office, that they might judge and evaluate the abilities, capacities and fitness of the candidates for public office, in order that this organization might intelligently and fair-mindedly recommend to the Wilmington voters the ones they feel are properly fitted to serve the Town in public office.

With this in mind I feel it a privilege to come before you and say a few words about the important office of Town Moderator.

The office is one of the highest honors the voters bestow on a fellow townsman, but it is more than honor, it is an office for public service. The Moderator does not run the business and affairs of the Town. That authority is mainly vested in the Selectmen, who represent the Town when it is used or brings suit in court, appoint the Town Manager and Town Counsel.

The duties of the Moderator are mainly to preside at Town Meetings and sometimes at elections. He derives his powers from the General Laws of the Commonwealth, the By-Laws of the Town, from Court decisions involving the legality of actions of Moderators, and from custom and common sense. No two Moderators do things exactly the same way, even when the basic rules are statutory.

There are certain parliamentary rules set forth in the By-Laws in a more or less abbreviated form and also a standard manual is prescribed, and the Moderator should be guided by them, but Justice Rugg stated in one of his Court decisions that "technical rules of parliamentary law, designed for regulation of deliberative assemblies, are in some respects ill adapted for the transaction of the affairs of a town meeting."

The Moderator should see that motions on each article accomplish the desired purpose and be in legal form. Sometimes motions are presented which ill state the intended purpose of the mover. The average citizen knows and cares little about the necessary technicalities. It is proper in such a case for the Moderator to assist in forming the motion. In order for an action to be valid a motion must be within the boundaries of the article under consideration. When debate is proper it should be held strictly to the question at issue, and not allowed to wander into irrelevancies. The meeting should not degenerate from a deliberative assembly into a mere debating society.

The citizens attending the Town Meeting cannot be expected to have the qualifications of members of the Legislature or Congress. The Moderator should be fair to those who do not know parliamentary procedure.

The Moderator should study the warrant prior to the meeting and be acquainted with the subject and action required. If he has done this with the Selectmen, the Town Counsel and the Finance Committee, a great deal of time can be saved and the meeting can be conducted in a business like fashion.

The Moderator has sufficient authority to conduct a meeting with due decorum. To command respect he should be impartial, fair minded and judicious without arrogance, remembering that all are equal before the law.

Ours is a government of laws and not of men. It is the antithesis of fascism and communism for here all are equal and the dictator, whether an individual or group, cannot succeed, for the Town Meeting is truly American. It is our priceless heritage from the early New England settlers, who braved the stormy Atlantic and the stern rock-bound coast of the New World. It is democracy in action.

Joseph H. Woods

Joseph H. Woods, Candidate for Selectman was then introduced. I was first elected a Selectman two years ago, and am now a candidate for election.

I was serving on the Board of Selectmen when Dean Cushing was chosen to be Town Manager of Wilmington. It gives me pleasure to remember that I was a member of the Board at that time.

Our first thought, of course, was for a temporary Town Manager, until a permanent one could be chosen. We asked Harry Deming if he would accept. He was a retired Town Accountant, and there was some question as to whether or not his pension would be affected. It was determined that a short period of service would not affect the pension, so we appointed him, and then began to look around.

There were a large number of applicants, some applications coming from as far west as Kansas. Each of

us took the applications home, and studied them. We listed who we thought were the best six, and, although they were not in the same order, we all listed the same six men.

Then we asked these men to come to Wilmington in order that we could interview them. After that we decided that we should go to Derry, New Hampshire, and see what the people there thought of Dean Cushing. There were three of us who made the trip. We asked merchants, the Police Chief, the Fire Chief, and others.

We did not ask them what they thought of Dean Cushing. Instead we asked them what they thought of the Town Manager Plan. With one exception we had very favorable responses, and praise of Dean Cushing.

Derry, New Hampshire is very similar to Wilmington, and after we had thought it over, we decided to ask Cushing to be Town Manager. He didn't immediately accept, but, as you know, he did, and I am glad that I can say I was one of those who brought him to this town.

I have found the members of the Board of Selectmen to be very cooperative. If we don't like something, we say so, and we freely exchange our opinions, to arrive at a mutually satisfactory agreement.

I have lived in Wilmington for 22 years and have 10 children. The Selectman's job was my first political experience, before that I had always been interested in Veteran's affairs. I was Commander of the Wilmington Post of the American Legion, of the District. I have been President of the American Legion Clubhouse since its inception. I have worked 40 years for the Boston & Maine railroad. I am the man who gets the money back, when freight cars have been stolen from the B&M; and vice versa.

I know expenses have gone up in the town, but they have every where else too. I don't think we are an expensive town, and I believe that taxes are going down, this year. I think we can thank the Town Manager plan for a lot of this. Other towns are now thinking of the Town Manager plan, look at Arlington and Burlington. Our charter has been held as a model charter, in the state.

I have missed three meetings, since I became a Selectman. I have worked conscientiously, and I have attempted to do my part as I saw fit. If you find out that I have done the job, I solicit your vote.

Mrs. Wavie M. Drew

Mrs. Drew was unable to be present, but Millard Pipes read a short statement for her.

In Mrs. Drew's statement, she made two points. The first was that the Board of Selectmen should meet every Monday night, and that she didn't think it wise to meet every other week, and stay up until two in the morning.

The second point that Mrs. Drew presented was that she believed that there should be better representation on the Board of Selectmen, with the members coming from different parts of town, and not just one small area.

Andrew Ring

Andrew Ring, of Middlesex Avenue read a very short statement, to the effect that he was born in Wilmington, attended local schools, Keith Academy and Suffolk Law School. He then asked "Any Questions?", which was greeted by a good natured laugh.

In reply to questions, Mr. Ring stated that he went along with the Town Manager plan of government, except for one point. Mr. Ring didn't like the idea of appointed officers. He admitted that there were good and bad points, with regards to elections of minor officials, and appointment of those officials.

NUTSY SAYS

A genius is a guy who solves a problem you didn't know you had in a way you can't understand.

I feel, he said, that there would be more enthusiasm for the job, in the smaller officers, if the person were to seek it, rather than be appointed, and I feel that this would be more democratic. Other than this, I go along with the Town Manager plan, 100%.

Eleanor Grimes

Miss Eleanor Grimes, Chairman of the School Committee thanked the Baldwin Association for inviting her. She said that the idea of having candidates speak up was the best method of having people make intelligent decisions.

I have been on the School Committee for 3 years. I was Secretary, and then was elected Chairman. I feel that we have made progress during these three years. One point that the people may not realize, is that we have introduced a standardized system of reading, so that all pupils, in all grade schools will be studying the same books. This means that they will all be on equal grading, when they reach High School. We have also introduced a standardized system of writing, which is equally successful.

We have set up a salary schedule, for the teachers. We consider this to be quite important. It attracts better teachers, and lets them know where they stand.

We have started Adult Evening Courses, in the High School which have attracted a lot of people. At the present time it is confined to the Practical Arts, but we hope to have Academic courses this fall.

I was born in Wilmington, and graduated from Regis College. I work for the New England Telephone and Telegraph Company, and, like Mr. Woods, I can say that I solicit your vote.

Arthur Lynch

Arthur Lynch, candidate for reelection to the School Board.

I learned this morning that there isn't to be any competition in the race for School Committee. I regret this. I feel that there should always be competition. Only in this responses and praises of Dean Cushing can we evaluate the reaction of the people to the programs of the various committees.

Miss Grimes has covered very well the program of the present school committee. There is only one thing that I can add to her statement is that I am proud of having been on the committee that brought Clifford Good to this town.

At this point there were interruptions from the floor, enquiring about the Witham case, and this case occupied the floor until the meeting adjourned.

Both Miss Grimes and Lynch discussed the case freely. They both expressed the hope that Witham would run. Selectmen Woods related the incidents in the Town Hall, and Irving Appleby spoke, describing his opinion of the man who had made the threat, and threatening to use a shot gun on the man, if he ever found out who it was.

Appleby stated that he had never heard of Witham until two weeks ago, when he sat in a restaurant, and overheard two men talking about him. These men described Witham as being a man of very fine character.

Appleby urged that every person vote for Witham, by sticker, in the March elections, and cast their other vote for one of the other two very fine candidates.

"Only by doing this," said Appleby, "can we show that threats and intimidation have no place in Wilmington."

AD ALTARE DEI CROSS AWARDED TO KENDALL STREET BOY SCOUT SUNDAY

Andrew D. Pupa, of Kendall street recently awarded the third highest honor in Scouting, was awarded the

Star Scout Andrew D. Pupa
Awarded Ad Altare Dei Cross

highest Catholic award in Scouting, Sunday, by His Excellency, Archbishop Richard D. Cushing. Pupa was one of 355 boys, within

the Archdiocese of Boston, who received the award, at the Cathedral of the Holy Cross, at 2:00 p.m. Feb. 8th.

22 Scouts and Scout Leaders, of all faiths, from Wilmington, were in the Cathedral, to see Pupa get his award, and to listen to the talk by the Archbishop.

The award, Sunday, was the highlight of the observance by the Catholic Church of Boy Scout Week, Feb. 7th to 13. Over 4000 Catholic Boy Scouts, and Scout Leaders crowded the Cathedral, to witness the presentation, and to hear the address of the Archbishop.

Pupa, the son of Mr. and Mrs. Anthony Borghetti, is a Freshman in Wilmington High School, and has been in the Scouting movement since Mar. 2, 1950.

FRIENDS OF THE WINCHESTER HOSPITAL

The Friends of the Winchester Hospital will hold their semiannual meeting on Wednesday evening Feb. 11th at 8:15 at the Epiphany Parish House in Winchester.

Dr. J. Roswell Callagher, head of the Adolescent Unit of the Children's Hospital, will speak on "Understanding Adolescents". He will not discuss delinquency, but, rather, will deal with the everyday problems of raising normal, healthy youngsters.

Dr. Galagher is a graduate of the Yale University School of Medicine and was for many years a school physician for boys' schools, having spent seventeen years at Andover in that capacity. He is well known as a witty and entertaining speaker.

Dr. Gustav G. Kaufmann, who first became acquainted with him at Andover, will introduce Dr. Gallag-

er and will also lead the discussion and question period.

There is no admission fee and the meeting is open to all men and women who are interested.

SALVATION ARMY NEWS

General William Booth, revered of The Salvation Army, once issued what must rank as one of the shortest-but most effective-messages of all time. The simple one-word message-tantamount to order to thousands of the famed organization's devoted officers and soldiers carrying out their deeds of mercy around the globe-was "Others", according to Mrs. Albert E. Kitchener, Aldrich Rd. general chairman for the Friendly Annual Appeal under way in Wilmington.

This order, which originated in the slums and streetcorners of London, England traveled until it became the motivating factor, the inspiration and the battle cry behind the unceasing efforts of Salvationists to alleviate the suffering of mankind everywhere.

But if it were for Wilmington Service Fund committee members and volunteer workers many of those "Others" needing spiritual or material aid would never have received it despite the constant efforts of Salvation Army officers and Soldiers, according to Colonel William H. Fox, New England leader of The Salvation Army and himself an officer who has devoted a lifetime to helping those in need.

"Not only in Wilmington but in hundreds of other cities and towns where there is no corps neighborhood center of The Salvation Army and no officers on duty, these Service Fund members perform invaluable services to the needy year after year," Colonel Fox explained today. "These unselfish leaders give unstintingly of their time and efforts in order to provide on-the-spot immediate help for those of every age and race, creed and color in their home towns, with children always being the biggest beneficiaries. Some of these committee members have served for periods of twenty or even thirty consecutive years without remuneration and with only the satisfaction of having helped the 'Others' in their home towns," he continued.

"But these committees would be unable to carry out their good deeds if it were not for thousands of volunteer workers who each year solicit funds for the Friendly Annual Appeals which provide the money which goes into the Service Funds. Of course the largest responsibility falls upon the women of the residential division who carry out the house-to-house canvass which is the backbone of every successful appeal," Colonel Fox concluded.

So it is those volunteer workers your "good neighbors" in action—who are the "hands" and "feet" of The Salvation Army.

This "Friendship Chain" of people from every walk of life who give so willingly of their time to make it possible for The Salvation Army to help "Others" is one of the proudest possessions of the Army "with heart to God and hand to man"—Your Salvation Army.

Please contact Mrs. Kitchener or Mrs. Francis E. Merrill, Chestnut St. the residential Chairman.

Commonwealth of Massachusetts LAND COURT Case No. 6036-S (SEAL)

Upon the petition of Joseph Patti and Mary A. Patti, of Medford, in the County of Middlesex and said Commonwealth, representing that they are the holders of a deed running from William P. Curtin entered as Document No. 16857, noted on Certificate of Title No. 3298, issued from the Middlesex North Registry District covering land in Wilmington; that said land was sold under the provisions of the Low Value Statute by the Town of Wilmington to William P. Curtin, and the Treasurer's Deed entered as Document No. 15707 and noted on said certificate, and praying that said certificate be cancelled insofar as it relates to the above mentioned documents and a new certificate be issued to them, therefore, it is

ORDERED that notice of this petition be given forthwith to all to whom it may concern and to Agnes Stirling and Henry Stirling, residences unknown, or their heirs, devisees or legal representatives by publishing a copy of this Order once each week for three successive weeks in the Wilmington Crusader, a newspaper published in said Wilmington; and if you desire to make any objection or defense to said petition, you or your attorney must file a written appearance and answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House) on or before the twenty-fourth day of February next.

Unless an appearance is so filed by or for you, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree or Orders as the Court may make.

By the Court.

AUTO ACCIDENT IN WILMINGTON SQUARE

A car owned by Michael J. Stack of 25 Marion Street, and driven by Robert Squiglia of Harvard Street was in a collision with a Nash sedan owned by Helen Deltorto, and driven by Joseph Deltorto, of Burlington Avenue. There was property damage only. The accident occurred in Wilmington square at 10:45 a.m. Feb. 8th.

TOWN MANAGER TALKS ABOUT DRAINAGE

TM Cushing spoke for some time, Monday night, to the Board of Selectmen, about the drainage problems of the Town of Wilmington. As he spoke he read excerpts from House Bill 2206, recently revived from the Legislature. The bill is not yet printed, Cushing was reading from a "proof".

According to Cushing, the bill called for a Joint Land Reclamation by the Department of Public Works, and Public Health, asking for a further study and investigation relative to the Town of Wilmington, and the Ipswich River, from its beginnings to the sea. The survey would cost about \$25000, and was to be paid for 100% by the state.

Cushing recalled to the Board that this was the result of a request by the Board three years ago, when Lyons, Cavanaugh and Melzar were Selectmen. A preliminary survey, the result of which were in

House 2206, was made as a result of the action by that Board.

This survey showed that 25% of the total land in Wilmington was swamps, under water all the year around, and that another large portion was marsh, under water for part of the year. 2200 acres, about 4.3 square miles was of no use to the people. This was of the approximately 17 square miles in the town.

The TM further reported that he had talked over matters quite a bit, and that definite plans had been set up, for lowering culverts, and draining brooks, at least in parts of the town. Some of this had already been done, but a lot would be in the future. The program would call for the cooperation of the Boston & Maine RR, because of the number of brooks that passed beneath their tracks.

Among the specific items mentioned by the TM were: better drainage from the brook leading past the fire station, and thence down to the river. Improvement of

Lubbers Brook, and clearing of the stones in the aqueduct, in the Town Park. He also said that it would be possible to bulldoze some of the ravines, to make for better drainage. The Highway department had definite plans for culverts, in 1953, to help with drainage, the TM reported.

Another project that the TM was planning for 1953 was the placing of gravel, in the old abandoned Middlesex Canal, where it approached Shawsheen Avenue. It was through this canal, Cushing stated, that a good lot of water was allowed to spread over the town in springtime. Blocking the canal would stop this, in the TM's opinion.

TOWN OF WILMINGTON PLANNING BOARD

Notice is hereby given that the Planning Board of the Town of Wilmington will hold a public hearing at 8 p.m. Tuesday, February 24th, in the Town Hall, on a proposed amendment to the Zoning By Law and Plan of the Town of Wilmington.

To see if the Town will vote to amend the Zoning By-Law and Plan by changing that section of land bounded by a line drawn at a distance of 500 feet westerly of and parallel to West Street extending from the Wilmington - Reading Town line to a point 700 feet south of Suncrest Avenue; then westerly to Woburn Street along a straight line parallel to and 700 feet southerly of Suncrest Avenue; then southerly along Woburn Street to the Wilmington - Woburn Town line; then easterly along the Wilmington Town line to the point of beginning, so that same shall be in a heavy industrial district.

(s) Elmer H. Woller, Secy. Wilmington Planning Board.

TOWN OF WILMINGTON PLANNING BOARD

Notice is hereby given that the Planning Board of the Town of Wilmington will hold a public hearing at 8 p.m. Tuesday, February 24th, in the Town Hall, on a proposed amendment to the Zoning By Law and Plan of the Town of Wilmington.

To see if the Town will vote to amend the Zoning By-Law and Plan by changing that section of land bounded by a line drawn at a distance of 500 feet westerly of and parallel to Main Street extending from the Wilmington - Woburn Town line to its intersection with a line established by extending the nearest 500 feet of Eames Street westerly in a straight line; then westerly along this established line to a point 700 feet east of Chestnut Street; then southerly and parallel to Chestnut Street to the Wilmington - Woburn Town line; then easterly along the Wilmington Town line to the point of beginning, so that same shall be in a heavy industrial district.

(s) Elmer H. Woller, Secy. Wilmington Planning Board.

TOWN OF WILMINGTON PLANNING BOARD

Notice is hereby given that the Planning Board of the Town of Wilmington will hold a public hearing at 8 p.m. Tuesday, February 24th, in the Town Hall, on a proposed amendment to the Zoning By Law and Plan of the Town of Wilmington.

To see if the Town will vote to amend the Zoning By-Law and Plan by changing that section of land, comprising a portion of the location of the former Salem and Lowell Branch of the Boston and Maine Railroad between Andover and Ballardvale Streets, and the land adjacent thereto and extending to a depth of 600 feet on each side of said location, bounded northwesterly by a line drawn parallel to and at a distance of 500 feet southeasterly from Ballardvale Street, and bounded southeasterly by a line drawn parallel to and at a distance of 700 feet northwesterly from Andover Street, so that same shall be in a heavy industrial district.

(s) Elmer H. Woller, Secy. Wilmington Planning Board.

TOWN OF WILMINGTON PLANNING BOARD

Notice is hereby given that the Planning Board of the Town of Wilmington will hold a public hearing at 8 p.m. Tuesday, February 24th, in the Town Hall, on a proposed amendment to the Zoning By Law and Plan of the Town of Wilmington.

To see if the Town will vote to amend the Zoning By-Law and Plan by changing that section of land bounded on the south by Maple Meadow Brook; on the east by Lubber Brook; on the north by Concord Street; and on the west by the Boston and Maine Railroad (Portland Division), so that same shall be in a light industrial district.

(s) Elmer H. Woller, Secy. Wilmington Planning Board.

TOWN OF WILMINGTON PLANNING BOARD

Notice is hereby given that the Planning Board of the Town of Wilmington will hold a public hearing at 8 p.m. Tuesday, February 24th, in the Town Hall, on a proposed amendment to the Zoning By Law and Plan of the Town of Wilmington.

To see if the Town will vote to amend the Zoning By-Law and Plan by changing that section of land bounded by a line drawn at a distance of 200 feet westerly of and parallel to Forest Street extending from Randolph Road to a point 200 feet southerly from Aldrich Road; then westerly and parallel to Aldrich Road to the Wilmington - Billerica Town line; then southeasterly

along the Wilmington Town line, to Randolph Road; then easterly along Randolph Road to the point of beginning, so that the same shall be in a light industrial district.

(s) Elmer H. Woller, Secy. Wilmington Planning Board.

TOWN OF WILMINGTON PLANNING BOARD

Notice is hereby given that the Planning Board of the Town of Wilmington will hold a public hearing at 8 p.m. Tuesday, February 24th, in the Town Hall, on a proposed amendment to the Zoning By Law and Plan of the Town of Wilmington.

To see if the Town will vote to amend the Zoning By-Law and Plan by changing that section of land immediately east of and parallel to the Boston and Maine Railroad (Lawrence Branch) between Glen Road on the south and Lubber Brook on the north, now described on the Zoning Plan as partly light industrial district and partly general residence district, so that same shall be in a single residence district.

(s) Elmer H. Woller, Secy. Wilmington Planning Board.

CONGREGATIONAL

The North Branch will hold a dessert luncheon at the home of Mrs. Herbert Thrush on Thursday at 1 p.m.

The Couples Club will give a Valentine Party in the vestry on Saturday at 8 p.m. All parishioners are cordially welcome, and they are invited to bring their friends.

Dr. Floyd H. Black, president of Robert College in Istanbul, Turkey, will share the pulpit with the pastor next Sunday morning and be the guest speaker.

Commencing on Ash Wednesday, February 18th, at 1:45 p.m. there will be a series of five Lenten lectures for the women of the church by Mrs. Fred Parks of Somerville. The series ticket is \$1.25, and admission to individual programs is 25 cents.

Owing to the lecture on the 18th, the Center Branch meeting will be held on Thursday at 1 p.m. It will be a luncheon meeting at the home of Mrs. Marion Connor, and members are asked to bring miscellaneous articles for the Spring sale.

TELEVISION NEWS

BY JACK MOORE

Dear Jack,

I have a TV set that is about 2 years old. When it was first installed with an outside antenna, there was practically no snow on the screen. Now, it seems to be quite bad. It is worse on channel 7 than on channel 4. I have checked the antenna connections and the wire and can find nothing out of order. Can you tell me what might be wrong?

A. L. G.
Chelmsford, Mass.

Dear A. L. G.,

Snow is caused by the first tube in a TV set and its associated parts. If too great an amplification takes place in this stage, thermal agitation takes place; which is a "haphazard", random motion of electrons flowing through the parts of this circuit. In turn these are amplified throughout the set and appear as spots all over the screen. Now as to the cause of such over-amplification. 1. If the first tube referred to above is defective, it will cause snow. 2. If the antenna does not supply an adequate amount of signal to the set, snow takes place. If the antenna

is too far from the station, snow takes place; but in your case, you have had less snow in the past than you have now, therefore, that brings up the antenna as a possible source of trouble. Notwithstanding the fact that your antenna and wire look to be alright, they can still be defective. After an antenna has been up for 1 1/2 to 2 years, the insulator on the antenna develops an electrical leakage to very high frequencies that short circuits part of the signal, thus cutting down on the total amount getting to the TV set. Also a similar leakage develops across the insulating material between the 2 wires that go to the set from the antenna. This also reduces the amount of signal the TV set gets. If you are in a good strong signal area (5 miles from the station) your antenna will supply enough signal longer than if you live 15 miles from the station where you may, at the most, have just enough signal. Incidentally, the higher the frequency of the channel, the more noticeable this will be, thus the reason channel 7 is worse than channel 4 in your case.

Jack

METHODIST CHURCH PROPOSES NEW ADDITION AT ANNUAL MEETING

At The annual meeting of the Wilmington Methodist Church, on February 5th the Building Committee, under chairmanship of William Stickney, proposed to the members that an addition, costing about \$50,000, be made to the church.

The addition, in the form of a new sanctuary and social hall, would ex-

tend from the present building, in the direction of the Pastor's home, and would seat 220 worshipers in the sanctuary. The basement would be used as a social hall, equipped with stage and dressing rooms, capable of seating about 275 persons in the audience.

Further provisions are planned for a Pastor's study, Church Officer and Sunday School Office.

Other highlights of the meeting were a report by the Pastor that the budget had increased 200% in recent years, and a report by the Church School that enrollment was increased about 15% per year.

The actual vote, for the proposed addition, will be made at a subsequent meeting, this year.

OFFICIAL BOARD AND GUESTS, AT ANNUAL CHURCH MEETING

Left to right: Stanley Webber, Malcolm Butler, Minot Anderson, Mrs. Minot Anderson, Rev. Otis Maxfield, Dr. A. J. Strait, Mrs. A. J. Strait, Mrs. Otis Maxfield, Mrs. Ariel Wood and Ariel Wood.

Shawsheen Street, by the Tewksbury police.

Witness to the accident was Ralph Josselyn, of Oak Street, Tewksbury. Josselyn has stated that he had followed the Hit and run driver from Woburn. In his opinion, the driver was not drunk, but had fallen asleep at the wheel.

RADIATOR STOLEN

Mrs. Minnola Tucker of Hillside Way reported to the police on Feb. 9th that some one had stolen a radiator from a 39 Ford, and gone off into the woods. The police could find no trace.

ANDOVER LIBRARIAN TO SPEAK TO P.T.A.

Miss Miriam Putnam, Librarian of Memorial Hall Library, Andover, Mass., and President of the Merrimac Library Association, will speak on "Ways the Library Can Serve the Community" at the February meeting of the Wilmington P.T.A. next Tuesday evening, February 17, at 8 p.m. in the High School Cafeteria.

Mrs. Ernest B. Rice, Jr., President, will conduct the business meeting, assisted by Mrs. Irene Rogers, Secretary, and Mrs. Mildred Shepherd, Treasurer. Mrs. Dorothy Lafionatis is in charge of the program. Refreshments will be served by Mrs. Clara Crotty and her committee.

The meeting is open to the public.

The
Commonwealth of Massachusetts
Case No. 16742 Misc.
LAND COURT

(SEAL) In Equity
To Luigi Ortolani, Sheila Dorothy Ortolani, of Wilmington, in the County of Middlesex and said Commonwealth; St. Johns Hospital, of Lowell, in the County of Middlesex and said Commonwealth; and to all whom it may concern:

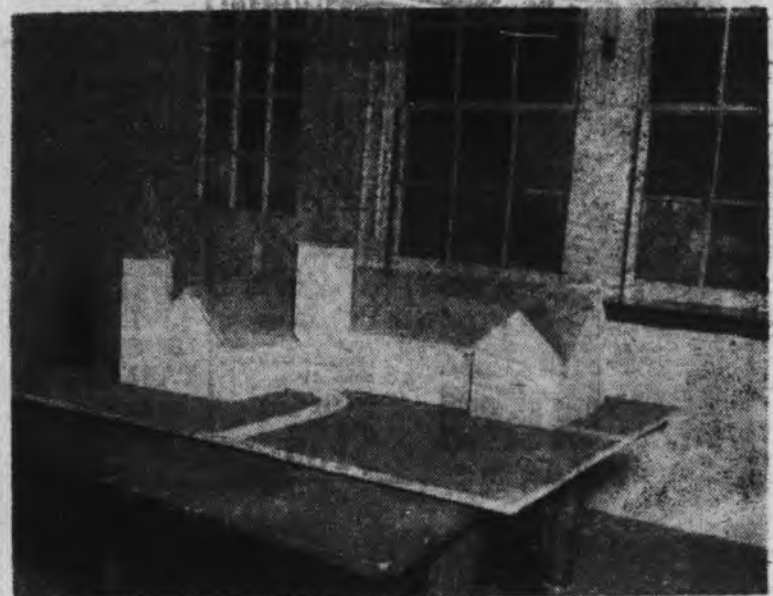

Middlesex County National Bank, a duly existing corporation, having an usual place of business in Everett, in the County of Middlesex and said Commonwealth, claiming to be the holder of a mortgage covering real property in said Wilmington, situate on Grove Avenue, given by Luigi Ortolani and Sheila Dorothy Ortolani to Middlesex County National Bank, by instrument dated November 23, 1946, recorded with the Middlesex County North District Registry of Deeds, Book 1058, Page 321, has filed with said court a bill in equity for authority to foreclose said mortgage in the manner following: by entry and possession and exercise of power of sale.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 as amended and you object to such foreclosure you or your attorney should file a written appearance and answer in said court at Boston on or before the fourth day of March 1953, or you may be forever barred from claiming that such foreclosure is invalid under said act.

Witness: JOHN E. FENTON, Esquire, Judge of said Court this twenty-first day of January 1953.
SYBIL H. HOLMES,
Recorder.

Model Showing Proposed Changes To Methodist Church

This model, exhibited at the Annual Meeting of the Methodist Church, on February 5th, shows the proposed changes, to cost about \$50,000. The present church is at the left, and the proposed new sanctuary to the right, as viewed from Church Street. The church will vote on the proposal at a later date.

WILMINGTON METHODIST CHURCH NEWS

Sunday, February 15, 1953

Sunday School will meet at 9:15 a.m.

Morning worship services at 9:15 and 11 a.m. The pastor will continue his series of sermons on Great Christian Doctrine, and preach on the subject "Our Faith in Man."

The Jr. MYF will meet at 5:00 p.m.

The Sr. MYF will meet at 7:00 p.m. A discussion on race relations will be led by Mr. Philip Needles.

The Adult Fellowship will meet at 8:30 p.m. at the home of Mr. William Russell, Wildwood Street.

Monday at 8:00 p.m. Official Board meeting will be held at the church.

Tuesday the Methodist Youth Fellowship will participate in a Youth Rally to be held at the Woburn Methodist Church at 7:30.

Wednesday, the 18th, Circle 5 will meet at 8:00 p.m. at Mrs. Cora Scott's, Mrs. Manuel and Mrs. Fuller, co-hostesses.

Thursday beginning at 6:30 the Men's Club will sponsor a Square Dance and supper. Tickets may be purchased from any member of the club. Reverend and Mrs. Robert Meikle of West Roxbury will be with us to direct the square dance.

Friday, the 20th, the first in a series of Lenten Study groups will be held for women of the church, beginning at 10 a.m. to be followed by a refreshment hour. The meetings will continue for six weeks, all of the meetings to be held Wednesday morning

at 10 a.m. A fellowship hour will follow each session. The study group will be led by the pastor.

Wednesday, the 18th, the Pilot Group will meet at Mr. Dudley Buck's at 8:30 p.m.

SCHOOL BOARD APPOINTS SIX TEACHERS

The School Committee, last Thursday, appointed six teachers to the elementary grades of the Wilmington Schools. Each of the teachers are now attending Lowell Teachers College, and will graduate next June. They will start teaching in September.

One of the newly appointed teachers, Miss Lody Leiter, of 27 Salem Street, is the sister of two ladies who now teach in Wilmington schools. The others who were appointed are Miss Elizabeth A. Gannon, 11 Steadman Street, Chelmsford; Miss Jean Lucille, Vaya, 118 Wentworth Avenue, Lowell; Miss Anna Ferrante, 65 Wareham Street, Medford; Miss Helen T. Conside, 298 Walker Street, Lowell and Mrs. Mary Jean Manning of 9 Wilder Street, Lowell. Mrs. Manning is also a Registered Nurse.

Supt. of Schools Mr. Good, reported on probable future enrollments of the Wilmington schools. Good stated that a conservative estimate showed 835 pupils in grades 9 to 12, in 1960. He urged that steps be taken quickly for the planning and erection of the next two sections of the Wilmington High School. These two additions, which Good believed should be built as soon as pos-

sible would cost about \$900 thousand, he reported.

Witham Case Discussed

There was a long discussion of the Witham case, when Miss Grimes reported on her meeting with the Board of Selectmen. The Board voted to support the actions of the Chairman and of the Supt. of Schools, because the meeting was political in nature, insofar as the two participants could determine.

Both Miss Grimes and Mr. Good emphasized that they had been asked to attend to discuss Sidewalk Plows, and another item of "serious" nature.
